We are in this together.

Octave is a musical term, referring to a complete collection of musical notes. Similarly, our offering is a complete set of services to support a range of needs, preferences, and price points.

We have assembled a talented team of clinicians, coaches, instructors, designers, and technologists to help guide you on your journey wherever you are, and provide a world-class experience along the way.

In light of COVID-19, we now offer virtual therapy for new and existing clients. Check out our [Virtual FAQs page](#) for more information on the cost of virtual care.

**Why Octave?**

**Personalized Guidance**

We match you with the right provider and service to meet your needs, your schedule, and your price point.

**Quality & Results Focused**

We hire outstanding therapists & coaches who are compassionate, honest, and focused on measurable change.

**Supportive Community**

We believe that everyone needs a connected place where they can improve their emotional well-being and create lasting change.

For every student,  
every classroom.  
Real results.

We're a nonprofit with the mission to provide a free, world-class education for anyone, anywhere.

Learners Teachers Parents

## Why Khan Academy works

### Personalized learning

Students practice at their own pace, first filling in gaps in their understanding and then accelerating their learning.

### Trusted content

Created by experts, Khan Academy's library of trusted practice and lessons covers math, science, and more. Always free for learners and teachers.

### Tools to empower teachers

With Khan Academy, teachers can identify gaps in their students' understanding, tailor instruction, and meet the needs of every student.

TEACHERS

**Differentiate your classroom and engage every student.**

We empower teachers to support their entire classroom. 90% of US teachers who have used Khan Academy have found us effective.
